

## Design your own brass rubbing!

Design your own picture of a brass rubbing.  
It could be a picture of yourself dressed as a Tudor  
Or  
It might be one of your friends or classmates

Will you include a family crest or shield?  
Will there be an inscription or prayer?

Will your brass rubbing have a canopy?  
Or some weepers!?

Will your brass rubbing have any animals in it?  
What will the person be resting their head or feet on?

Only use pencil.  
Take care.  
Think of fine detail (like faces, borders, patterns).  
Check your name is on your work.
